Meetings and Negotiations - Level B1 - 36h

Difficult meetings can become a little easier if you prepare well: read the reports to understand the situation, collect data to present evidence, learn phrases for managing specific kinds of meetings like problem-solving meetings, performance reviews or marketing discussions. This module will prepare you for various kinds of negotiations in English.

Presentations and Networking - Level B1 - 36h

The world of work is all about giving presentations and making connections with people. These tasks can be a little less intimidating if you have the right language at your fingertips. In this module, you will learn a variety of functional language to help you with good presentations and practise expressions for arranging events, organising travel and maintaining good work relationships. You will better be able to discuss future projects, give feedback and write project reports.
